Background and Accreditation	
Please briefly present the organization	<p>KDETYD is a newly formed Scientific non-profit Association dealing with Innovating Activities in Education, Tourism, Health and Interculturality (Gr: ΚΔΕΤΥΔ) based in Drama, Eastern Macedonia, Greece but its activities are expanding so it can carry out educational programs, actions, counseling or training to all people without discrimination.</p> <p>KDETYD designs and organizes experimental workshops and seminars related to the objectives of the association. Our vision is to implement new techniques and methods of education and training, to bring people together and achieve real social impact. We have a great interest in finding partners and together to work on programs focused on sharing knowledge and best practices as well as its applications. We</p>

	<p>are interested in partners such as:</p> <ul style="list-style-type: none"> • Erasmus+ • Erasmus+ Mobility programs • Youth Exchanges • Training and Networking • Transnational Youth Initiatives • Strategic Partnerships • Capacity Building • Solidarity Corps <p>Furthermore, we aspire to promote active citizenship, intercultural dialogue, self-development, skill building and encouragement of solidarity, especially among our youth and vulnerable social groups. We want to help create the next generation of leaders and contribute in strengthening social cohesion.</p> <p>Our moto: “Innovating Activities for Innovative People” aims to inspire youth groups, single parent families, the long-term unemployed, people with special needs, women out of the labor market, families which have members with disabilities, immigrants, the elderly and any vulnerable social group in general, in finding their way in society, through volunteering activities and formal or non-formal learning activities which provide valuable skills for them.</p> <p>We want to develop and promote the spirit of social sensitivity, without social entanglements, discrimination, exclusion and prejudice. To help advance universal access to the domains of education, health, tourism and interculturalism. We want to create awareness and advocate diversity, tolerance and equal opportunities. We work on different areas, mainly: voluntary work, active and healthy lifestyle, mindfulness, well-being, environmental activities, youth employment and self-development.</p> <p>We believe that we can make a difference, helping people (youth and adults) all over Europe to overcome societal challenges they face. Additionally, by building up their knowledge and skills, to help them increase the level of their employability.</p>
<p>What are the activities and experience of the organization in the areas relevant for this application?</p>	<p>Our members consist of adults and youths with diverse backgrounds..</p> <p>We are participating in local and international projects to gain enough experience to work on our own projects and we are always trying to find creative and innovative ways to spread our ideas. We believe that why we do it and how good we do it are equally important to what we do. This is why motivation and quality are paramount for us.</p> <p>Lately we are carrying educational workshops, volunteering actions, seminars in a government agency, organizations and schools on topics that our members experienced in (voluntary work).</p> <p>We have strong experience not only in organizing training courses, but as well as social projects in university, language courses, cultural trips, voluntary projects, etc. so our planning</p>

	<p>includes methods and techniques in communication, discussions, case studies and group work as simulation experiences and roleplaying, evaluation, assessment, debriefing and closing.</p> <p>From this year, our organization will start to grow, by attracting more volunteers and members that would like to perform workshops, seminars and training courses in our community and we will organize projects of different disciplines to make sure that everyone is involved.</p>
<p>What are the skills and expertise of key staff/persons in your organization that will be involved in projects?</p>	<p>Staff/Members of the organization are teachers, education executives of all levels, scientists, researchers as well as friends who do not necessarily have any scientific or research status, enthusiastic and motivated people who want to help others and are interested in innovation in the fields of the association.</p> <p>Panagiota Tsakiridou – Co-founder and president of the organization. She brings 2 decades of experience in the domains of education and public health & safety. She started as a teacher and grew up to director of educational institutions. She worked on both the private and the public sector. She taught students and trained teachers in the field of formal and non-formal education. She worked on regional and international cooperation and research on the environment as well as environmental education. She is involved in many volunteering actions and cooperated with several non-profit and youth organizations for the development of competencies in the working environment.</p> <p>Eirini Koukidou – Co-founder and vice president of the organization. She is a Human Resources professional with a proven track record in hospitality industry. She works as a part time instructor in Initial Vocational Training schools and Colleges, from which she has acquired teaching experience and adult education skills. She has a wide range knowledge in tutorship, leading, consulting and mentoring and also is highly skilled in planning and organizing as well as supervising the work of young and adult teams due to her working experience</p> <p>George Konsoulas - Special Education teacher, adult educator & disadvantaged adults educator: 18 years of experience. ICT Bachelor degree, M.Ed at new education and learning methods. Extensive experience in Vocational Training Schools, special education and adults education.
