ABOUT DRAMA

Drama is a picturesque city with rich natural environment and history, spreads below the peaks of Mount Falakro at an altitude of 110 m.

Due to its central location in the prefecture, Drama is the base for excursions to wineries located a short distance. Drama is a city with a long history, as its area was already inhabited in prehistoric times. A city of water and wine, surrounded by nature landscapes with many urban parks with a population of approximately 40.000 inhabitants.
